GREATER CONFERENCE SPRING 2020
INFORMATION AND APPLICATION

BECOME AN EVENT SPONSOR

Promote your business to over 300 local women while contributing to a non-profit that serves the communities in Northeast Ohio. Reach the attendees of our Spring 2020 conference on May 2nd in Hudson, Ohio. Our organization is a 501(c)3 and contributions from sponsorships are tax deductible.

BRONZE SPONSOR \$50:

Place your logo in our conference printed program. Each attendee, over 300 women, will receive a program and look it over many times during the event. Logo is listed in a "thank you to our sponsors" section along with the level of sponsorship. It will be printed in full color in a 1.5"x 1.5" format.

SILVER SPONSOR \$150:

Includes Bronze Tier program logo. Plus, an advertising spot on the Greater Conference registration part of our website. All users who are interested in our conference must visit this page to register or learn about the event. Users will be exposed to your ad under the event sponsor category. Ad can be linked to your site as well, or just purely visual.

GOLD SPONSOR \$200

Includes Bronze and Silver Tiers. Plus, a small promotional item inside each gift bag given to each attendee of the event. You provide the promotional item no larger than 6" x 6" x 2", we will place in each gift bag for our event-goers and return all unused items to you (no less than 350 items recommended).

PLATINUM SPONSOR \$350:

Includes Bronze, Silver, and Gold Tiers. Plus, the option to sponsor our event's photo wall. A large temporary wall, decorated for the conference will appear at the event, perfect for attendees to take pictures at (pictures they will most likely post online). A Platinum sponsor's logo will appear on the wall in a 9" x 9" format, and will most likely appear in most photos, without compromising the creativity of the wall that encourages attendees to take pictures there. Additionally, promotional items for the sponsor can be placed at a table next to the station. Allowing for a brand activation for our attendees.

ITEM DONATION:

Our company is a 501(c)3 organization. This means donations to our company are tax deductible. If you would like to simply donate a product for the attendees of our event, such as a food item, you may do so for a deductible receipt. A small sign will appear near the item listing whom it is donated from.
